Lord Mayor's Room, City Hall, Cork.

19th April, 1920.

u capa,

I beg to bring under your notice the Mac Curtain Memorial Fund, which has been inaugurated to provide for the Widow of our late Lord Mayor, and for the education and future welfare of his children.

Though we have received generous support from outside Cork County, and gratefully welcome and acknowledge such support, we are confining the direct appeal to our own City and County, as we feel the obligation is specially ours, and that it lies on us primarily to discharge it. For this reason a united and very earnest effort on our part is needed to make the Memorial Fund a success.

The General Committee invite your co-operation, and ask you to call a local meeting of representative men for the purpose of organising support for the Fund in your district.

Thanking you in anticipation for your kind services.
