APPLICATION FORM FOR SOCIAL HOUSING SUPPORT

IMPORTANT

PLEASE READ THE FOLLOWING INFORMATION CAREFULLY

Social housing support is housing provided to people who are assessed as being unable to provide accommodation from their own resources. To establish if you are qualified for social housing support, Cork City Council will assess your eligibility and your housing need as specified in the Social Housing Assessment Regulations 2011 (as amended).

You must complete, sign, and submit the attached application form to Cork City Council giving information on your current circumstances. It is very important that this form is read and completed **in full**, and that **all information and documentation** required is submitted to Cork City Council.

If the application form is submitted with missing or incomplete information, this will delay your assessment and your form may be returned to you. There is a checklist on pages 3 and 4 of this application form to ensure that everything Cork City Council requires to assess your application is submitted.

Subject to proper completion of the application form, Cork City Council shall deal with the application within a period of **12 weeks** of receipt or, if additional data has been requested for the purpose of verifying information relating to the application, within 6 weeks of the receipt of such additional information.

Cork City Council will issue a letter to you confirming the result of your assessment and whether you are qualified for social housing support.

Cork City Council is committed to fulfilling its obligations imposed by the Data Protection Acts 1988 to 2018 and the General Data Protection Regulation (GDPR). Cork City Council's privacy statement and data protection policy is available at www.corkcity.ie. Cork City Council requests that you read these, as they contain important information about how the Council processes personal data.

Application to:

Comhairle Cathrach Chorcaí
Cork City Council

Important: Please Read the Following Information Carefully

1. If you are unsure about how to answer any of the questions in this application form, please ask an officer in the Housing Section or Customer Service Unit of your local authority or your local Citizens Information Centre to help you.
2. When filling out this form, please make sure to write clearly so that your application can be processed as quickly as possible.
3. Make sure you have answered all of the questions fully where these are relevant to you. If you do not fully answer all the questions relevant to you, you might not get the correct priority for housing or else we may have to return the form to you, and it would delay your application. Only fully completed applications will be processed.
4. Your rights as a data subject under the General Data Protection Regulation (GDPR) apply in full and will be clearly set out in the relevant data protection policies and procedures for the local authority to whom you are submitting your application. If you have any query in relation to your rights under GDPR, you can contact the nominated Data Protection Officer for that local authority. Details of how to submit your query will be supplied by the local authority directly.
5. This application cannot be completed without a Personal Public Service Number (PPSN) for all members of the household included on the application form. If you are not aware of the PPSN for any children for whom accommodation is sought, they can be obtained by contacting your local Social Welfare Office either by telephone or in person. Please note that you will need to have your own PPSN to hand.

SUPPORTING DOCUMENTATION WILL HAVE TO BE PROVIDED TO THE LOCAL AUTHORITY

6. You must supply the relevant supporting documentation so that your application can be processed. Please use the checklist provided to make sure you have included everything that is needed to consider your application.

7. This application cannot be completed without documentary evidence of income details given in this application, as outlined in the checklist below.

8. In carrying out its functions under the Housing Acts of 1966-2014, the local authority may request and obtain information from another local authority, the Criminal Assets Bureau, An Garda Síochána, the Department of Social Protection, the Health Service Executive (HSE), the Revenue Commissioners or an Approved Housing Body in relation to occupants or prospective occupants of, or applicants for, local authority housing. Your data may also be shared with other public bodies in accordance with our obligation to prevent and detect fraud.

9. Any change in the details given, particularly any change of address or income, should be notified to the local authority immediately so that your record can be updated.

10. Local authorities are required to report annually to the Department of Housing, Local Government and Heritage, the number of households in need of social housing support, under a process known as the Summary of Social Housing Assessments. This process may require us in the future to contact you and request you to confirm details provided on this form are accurate and up to date. Failure to respond to any such request may result in your housing application being closed. Information supplied through this process may be shared with the Local Government Management Agency and The Housing Agency for the purpose of compiling the Summary Assessment report, which is a statistical summary at national level that informs policy and future planning in terms of the national housing need.

11. Please ensure that you have supplied all the relevant information and supporting documentation to process your application. However, be advised that the local authority may ask for further supporting documentation at a later stage.

** It should be noted that a household meeting either the residence or local connection condition may specify up to three areas of choice for receipt of support in the areas of all local authorities in the county and city concerned and, if qualified, will be entered on the housing waiting list of each of those local authorities. Accordingly, under existing arrangements, a household that applies, for example, to Dublin City Council can, if qualified for support and should they choose to do so, be entered on the waiting list of three of the four local authorities in Dublin city and county (same applies in Cork and Galway).
