‘I am asking Cork City Council to conduct a detailed report into the safety of 5G. People are extremely worried and voicing their concerns about the harmful effects of radiation. (Proposer: Cllr. D. Forde 19/538)

‘Because the lack of fixed line broadband in various areas in Cork remains an issue of concern and frustration for residents, it is now over THREE years since this issue was raised with Eir and as yet we are no closer to having broadband installed. I call on City Council to urgently bring senior representatives of EIR in to discuss the issue with Councillors to clarify and update us on the situation.

The fact that broadband is supplied in other apartments and estates in the area only further exasperates the situation.

Fibre optic cables are in place but as of now have not been activated despite countless requests to Eir/OpenEir/KN Networks to do so.’

(Proposer: Cllr. D. Forde 19/546)

21.4 **EXPRESSION OF SOLIDARITY WITH THE PEOPLE OF AUSTRALIA**

‘That Cork City Council call on the Government to reverse the retirement age from 66 years back to 65 years. Forcing 65 year old people on to a jobseekers payment for one year before accessing their State Pension at 66 years is wrong and from next year the retirement age will increase to 67 years and this should also be stopped.’

(Proposer: Cllr. T. Gould 20/029)

21.6 **NORTHERN RING ROAD**

‘That Cork City Council would write to the Government to protest the announcement that there will be no progress on the Northern Ring Road until after 2027. That the Northern Ring is a vital piece of infrastructure for Cork City and needs to be advanced immediately.’

(Proposer: Cllr. T. Gould 20/030)

21.7 **INTEGRATED BUS SERVICE**

‘That Cork City Council would request a meeting with the Minister for Transport, Bus Éireann and the National Transport Authority to secure the resources to put in place a proper integrated bus service for the new areas that are now part of the extended Cork City.’

‘That City Council would take on board the concerns of the elderly residents in Horgan's Buildings, Magazine Road in relation to the following:-

Broken footpaths from the shop in Denroches Cross all the way to Horgan's Buildings and in their own immediate area also.

No traffic calming measure's such as rumble strips/slow down signs/speed limit signs that would make it that bit safer for residents to walk around their own area confidently and feel safe to do so.

Cars parking all day long outside properties therefore giving the resident no chance of parking outside their own property.’

(Proposer: Cllr. H. Cremin 19/519)

South West Local Area Committee – 27/01/2020

12. **STREET LIGHTS ON TOGHER ROAD**

‘That street lights be installed along the pedestrian path from the Togher Road that links to Elmvale Close via Togher boy’s school.

There is an attached map to illustrate the area; the yellow line is the pathway where the street lights are requested to be installed.’

(Proposer: Cllr. T. Moloney 19/539)

South West Local Area Committee – 27/01/2020

13. **INSTALL TRAFFIC LIGHTS AT MT. AGNES ROAD, FAIRHILL**

(Proposer: Cllr. K. Collins 19/547)

14. **REMOVE BOUNDARY WALL ON FAIRFIELD ROAD**

‘That Cork City Council remove the boundary wall on Fairfield Road to widen the road or introduce a one way system for health and safety purposes to protect all road users. This wall is not safe as parts of it are falling onto the road. It has also become a dumping ground for household rubbish as there is a void between the wall and the fencing of Colemans field.’

This was a very significant historical event which actually triggered a number of other significant historical events in our City and it is important that we recognise this, and in this year of Commemoration, a well designed monument at the site of this ambush at Dillon's Cross would be very fitting.’

‘That Cork City Council endorses the decision of Ard Mhéara Cllr. John Sheehan not to attend the proposed State Ceremony commemorating the role of the Royal Irish Constabulary (RIC), Dublin Metropolitan Police (DMP) and the auxiliary 'Black & Tans' in Irish history. This is entirely appropriate given both the record of such police forces in upholding British rule in Ireland and in the context of important centenary events of local and national significance such as the deaths of Ard Mhéara Chorcaí Tomás MacCurtáin, Terence MacSwiney, the burning of Cork, the killings of the Delany Brothers, the deaths on hunger strike of Joe Murphy and Michael Fitzgerald and so on. Noting the Government decision to defer the event Council believes it should be cancelled outright. It was clear that various Dáil Committees and the All Party Commemorations Consultative Group were not consulted on such an event for which there was no political consensus nor public support as evidenced this week.’

33. **CYCLEWAY BETWEEN LOWER GLANMIRE ROAD AND PENROSE WHARF**

The recent works on Lower Glanmire Rd having terminated with a cycle lane leading onto a pedestrian path and towards a cycle crossing that is permanently showing a red light (and which in any case leads onto another pedestrian path).’

(Proposer: Cllr. O. Moran 20/018)

North East Local Area Committee – 27/01/2020

34. **ANTISOCIAL BEHAVIOUR AT JOHN O’CALLAGHAN PARK**

‘That Cork City Council will report on efforts to reduce anti-social behaviour and its impact in the vicinity of John O'Callaghan Park, including security measures (e.g. CCTV and Garda patrols), design approaches (e.g. improved lighting and clearer pathways), and reducing its impact on the community (e.g. providing bins in secluded areas and removing litter from outdoor drinking at weekends).’

(Proposer: Cllr. O. Moran 20/019)

North East Local Area Committee – 27/01/2020

35. **CLOSE NASH’S BOREEN**

‘That Cork City Council initiate a process to close off Nash’s Boreen (Hollyhill side) to public vehicular traffic. Since the road was opened again there has been significant and persistent anti-social behaviour including rubbish dumping and the burning out of stolen cars, all this on a well known beauty spot and Slí na SlAinte walkway. This is causing hardship to users of the amenity and local residents alike. I believe a number of landowners have no objection to a closure but perhaps a gate can be put in to which they would have a key to allow occasional vehicular access if and when required.’

(Proposer: Cllr. K. Collins 20/020)

North West Local Area Committee – 27/01/2020

South East Local Area Committee – 28/01/2020

41. **SEGREGATED WASTE FACILITIES**

‘That Cork City Council write to the management of private apartment complexes to request that segregated waste facilities (glass, compost, recycling, general waste etc) are provided by management companies to residents.’
