Application Form

July 2024

Local Authority Purchase and Renovation (LAPR) Loan

Please read the following information carefully before completing this application form.

- All questions on this form must be answered. Please write your answers clearly in BLOCK CAPITALS
- A fully completed and signed application form, along with all of the required supporting documentation, should be sent to the Housing Section of the local authority where you are seeking to purchase a home and/or renovate a home.
- The property which you purchase/renovate must be in your local authority's administrative area.
- A reference in this form to the 'Local Authority' is a reference to the Local Authority where the Application Form will be submitted.
- Applicants should seek independent financial advice when applying for a LAPR.
- You must have identified a property that is Vacant Property Refurbishment Grant (VPRG) eligible and for which you require funding to renovate.
- You must have completed the necessary Stage 1 Viability Assessment documents and provided the required valuations(s).
- You do not need to prove that the property is VPRG eligible at the point of application but proof will be required before draw down.
- If your application passes an initial assessment you will be asked to provide the Stage 2 Viability Assessment documents.

To be eligible for a Local Authority Purchase and Renovation Loan, applicant(s) must:

1. Be First Time Buyers and neither applicant can have previously purchased or be a current owner of a residential property. With the exception of applicants qualifying under the Fresh Start Principle and those who have inherited residential property. An LPT and CCR check will be completed at application stage.

Exception to First Time Buyer requirement for purchasers of eligible property: You are permitted to have purchased the property which is the subject of the LAPR application and still be eligible for the LAPR, in which case you would be applying for a renovation-only LAPR. This must be the first home that you have purchased and you must have no outstanding mortgage on the property.

2. Be aged between 18 and 70 years.
3. Be earning not more than €70,000 (gross) in the previous tax year as a single or as joint applicants i.e. two or more, must have a combined income(s) of not more than €85,000 (gross) in the previous tax year.
4. Be in continuous employment (this can be Self-employed)* for at least two years in the case of the primary earner and in continuous employment for one year in the case of a secondary applicant (if second applicant is employed).

* An exemption to the requirement for continuous employment can be given in situations where an applicant has verifiable income from an alternative source, such as a pension from a previous employment, for the last 2 years (or 1 year if they are secondary earners in a joint application). However, this income must be of a sufficiently long-term and guaranteed nature as to provide a sustainable basis for repaying a mortgage.

Local Authority Purchase and Renovation (LAPR) Loan (continued)

5. Provide consent for their PPSN to be used for a CCR New Application Enquiry (NAE) and an LPT property check, at application stage.
6. Currently have a legal right to reside and work in the State. Furthermore, there are minimum periods of residence required for non-EU/EEA applicants. See www.purchaseandrenovationloan.ie.
7. Be able to provide:
 - proof of insufficient mortgage offer from two regulated financial providers or
 - letters of refusal due to project specific reasons.
8. Provide the minimum deposit for the loan. The factors assessed in considering whether a project is viable depends upon the type of home purchased and the extent of renovation works planned. See calculator on www.purchaseandrenovationloan.ie for amounts.
9. The LAPR must have first charge on the property. An LAPR will not be granted when there is already a mortgage or similar encumbrance on the property.
10. The property selected must be eligible for the Vacant Property Refurbishment Grant (VPRG) and become the applicant's principal private residence.
11. Renovations to the property must comply with all applicable Building Regulations.

If you meet all of the above criteria, you will be eligible to submit an application.

The **Local Authority** will use your PPSN to complete a New Application Enquiry (NAE) on the Central Credit Register (CCR). When such an enquiry is made the CCR will keep a record for a period (of usually one year) from when the enquiry has been made that the search has been made. The **Local Authority** may also provide information to the CCR concerning this application and the manner in which the account is conducted. For this the **Local Authority** requires your consent. Please note that if you do not consent the **Local Authority** may not be able to consider your application.

You have the right at any time to request from the CCR a copy of any "personal data" within the meaning of the Data Protection Acts 1988-2018 (as amended or re-enacted from time to time) that the CCR holds about you (for which they may charge a small fee) and to have inaccuracies in that information corrected.

Important notices (continued)

Central Credit Register

Notice: Under the Credit Reporting Act 2013, lenders are required to provide personal and credit information for credit applications and credit agreements of €500 and above to the Central Credit Register. This information will be held on the Central Credit Register and may be used by other lenders when making decisions on your credit applications and credit agreements.

Data Protection and General Data Protection Regulation (GDPR)

We fully respect your right to privacy. Any personal information which you provide to us will be treated with the highest standards of security and confidentiality, strictly in accordance with the Data Protection Acts 1988-2018. The General Data Protection Regulation (GDPR) (EU) 2016/679 is a regulation on data protection and privacy for all individuals within the European Union. It came into force across the European Union on **25 May 2018**. It replaces the previous data protection directive which has been in force since 1995 and forms the basis of our new Data Protection Irish laws (Data Protection Acts 1988-2018).

Arrears

Interest will be applied to the outstanding balance of the loan. This balance includes any element of unpaid interest and charges which will accrue interest on the rate applicable to the account.

Valuation

The Local Authority will require a valuation of and certain other information about the property you wish to buy. The valuation report must be carried out by an approved independent or Local Authority valuer. Valuation/survey fees are payable by the applicant(s) to the firm of valuers who undertake the valuation. The valuation report, of which you will obtain a copy, is designed especially for the needs of the Local Authority to help us decide if the property represents adequate security for the loan you require. The valuation report will be based on a limited inspection and is not intended to be a structural survey nor a condition report. It is important that you should not rely in anyway on the valuation report. It is possible that there are defects in the property which are not reported but which a more detailed inspection would reveal. This means that the valuation report may not make you aware of defects which could affect your decision to buy. The Local Authority recommends that you obtain a more comprehensive report or structural survey. The Local Authority reserves the right to obtain an independent valuation.

Your right to cancel the contract

You do not have a right to cancel the contract once you have drawn down a housing loan but you may repay a housing loan early as outlined in the next paragraph.

Rights to terminate the contract

The borrower may have to pay early repayment charges if they pay off a LAPR early during the term of the loan.

If you fail to make any payment due to us in respect of the loan or, if any of the other events of default which will be specified in the contract between us for the loan were to occur we may call for the immediate repayment of the loan together with all accrued but unpaid interest thereon and all other costs and expenses payable under the contract. We may also enforce our mortgage over your property and sell it and realise any security given to us and apply the proceeds of sale in repayment of the loan and all interest and costs and expenses.

Governing law and language

All our dealings with you, and all contracts between us, will be governed by the laws of Ireland.

All contracts between us, all information, which we supply to you, and all other communications with you will be in English.

Important notices (continued)
